There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by druggists, 75c.

Take Hall's Family Pills for constipation.

### The Staff of Life.

"Kneading dough with the feet still prevails in some Italian shops in New York," according to an official report of the New York department of labor. The report adds that "our inspectors have essayed to stop it, but have not been sustained by the department for the reason that there is nothing positively illegal or necessarily unsanitary in the practice."—Survey.

Barbed wire cuts, ragged wounds, collar and harness galls heal up quickly when Ballard's Snow Liniment is applied. It is both healing and antiseptic. Price 25c, 50c and \$1.00 per bottle. Sold by W. H. Windrow.

### Marathon of Progress.

Two years ago the Hudson river was crossed at New York by ferries, and now the tunnels are carrying at the rate of 50,000,000 passengers yearly.—New York Tribune.

When you have rheumatism in your foot or instep apply Chamberlain's Liniment and you will get quick relief. It cost but a quarter. Why suffer? For sale by all dealers.

**No Man is Stronger  
Than His Stomach**  
A strong man is strong all over. No man can be  
strong who is suffering from weak stomach with its  
consequent indigestion, or from some other disease  
of the stomach and its associated organs, which im-  
pairs digestion and nutrition. For when the stomach  
is weak or diseased there is a loss of the nutrition  
contained in food, which is the source of all physical  
strength. When a man "doesn't feel just right,"  
when he doesn't sleep well, has an uncomfortable  
feeling in the stomach after eating, is languid, nervous, irritable and despond-  
ent, he is losing the nutrition needed to make strength.  
Such a man should use **Dr. Pierce's Golden Medical  
Discovery. It cures diseases of the stomach and other  
organs of digestion and nutrition. It enriches the blood,  
invigorates the liver, strengthens the kidneys, nourishes  
the nerves, and so GIVES HEALTH AND STRENGTH TO  
THE WHOLE BODY.**  
You can't afford to accept a secret nostrum as a substitute for this non-  
alcoholic medicine of known composition, not even though the urgent dealer  
may thereby make a little bigger profit. Ingredients printed on wrapper.

**Unable to Pay Losses.**  
The Leader News:  
The following will no doubt be of in-  
terest to a number of Uvalde business  
men, especially coming so promptly  
after the failure of the Inter-Insurance  
Underwriters of Galveston. The fol-  
lowing is a letter written to the Kerr  
Hardware and Furniture Co., Newton,  
Texas.  
San Antonio, Texas, February 9,  
1911.  
Dear Sir—We are sorry to have to  
inform you that we cannot further act  
as attorneys and managers for the sub-  
scribers of the Profit Sharing Under-  
writers of San Antonio, Texas, and  
from and after this date we discontinue  
the agency and close the office.  
We have been compelled to take this  
course because we can see that it will  
be impossible to pay the losses which  
have accrued and will accrue in the  
future. As you know, under the plan  
by which you became a subscriber, no  
provision was made for an immediate  
surplus or reserve fund, and it was  
contemplated that the premium re-  
ceipts from month to month would be  
sufficient to pay all the expenses of the  
business and all losses as they accrued.  
This plan was successfully carried out  
and all losses paid up to a few weeks  
ago, when we had several losses at  
once on hand and our receipts from  
premiums had fallen off to such an  
extent that it was impossible for us  
to pay all these losses.  
We believe the falling off in our re-  
ceipts was caused directly by the fail-  
ure of a similar organization in Galves-  
ton a short time ago. This failure  
created such a distrust for this kind  
of insurance that our agents have  
found it practically impossible to se-  
cure any new subscribers, and conse-  
quently the receipts have stopped, and  
having no reserve fund or surplus,  
and having paid out every dollar we  
have received, we necessarily have to  
quit business.  
Thanking you for your co-operation  
and regretting that we have had to  
take this course, we are,  
Yours truly,  
Geo. B. Monroe & Co.,  
Attorneys and Managers.  
I have given the above, thinking it  
will be of some news value to the in-  
suring public.

**Cake Baking Contest.**  
 The cake baking contest at the pure food grocery of Heyen & Co., Thursday, March 16th was a great event. There were twenty-eight entries for the six prizes. The chief restriction of the contest was that Cottolene be used instead of butter. Never before was there a prettier display of cakes shown in Hondo.

The contestants were as follows: Mrs. L. Schmidt, Mrs. McGary, Mrs. Meriwether, Mrs. Richter, Mrs. Pichot two cakes, Mrs. F. Davis, Mrs. Johnston two cakes, Mrs. J. S. Monkhouse, Mrs. Pauline Taylor, Mrs. Bradley, Mrs. Schneider, Mrs. Will Holloway, Mrs. Louisa Kilhorn, Mrs. J. H. Meyers, Mrs. Hickman, Mrs. Wohlschlegel, Mrs. Dowdy, Miss Etta Horger, Mrs. Callahan, Mrs. Keller, Mrs. J. G. Newton, Mrs. Garwood, Mrs. de Montel two cakes, Mrs. H. H. Crow and Mrs. J. W. Heath.

The six prize winners were: 1st, Mrs. Ed de Montel; 2nd, Mrs. Fletcher Davis; 3rd, Mrs. H. H. Crow; 4th, Mrs. Bettie Meriwether; 5th, Mrs. T. C. Hickman; 6th, Mrs. Will Holloway.

The cakes were most carefully judged by Mrs. Tom McLaugherty, Miss Emma Collick and Mrs. L. E. Heath.

More than 200 ladies were out during the evening and it was a social as well as a competitive event. Jersey Creme punch as well as cake was served to all who came out during the entire afternoon.

The remaining cakes were sold at the Public Park at 8 o'clock, p. m., netting the park a nice amount, which will be used to beautify and keep the park in good order. Elmer de Montel acted as auctioneer.

This contest was conducted by C. W. Hadden, who represents the N. K. Fairbank Co. in this territory. This contest demonstrated that Cottolene, "nature's gift from the sunny south," makes cakes of as fine if not finer quality than butter and costs less than butter by about one-third the price.

**Tess and Ted.**  
 Tess and Ted, the "Star Brand Kids," gave a highly amusing vaudeville performance on a platform in front of Schmitt & Steinhardt's store last Saturday afternoon before a large crowd. Their show is one of the unique advertising schemes now extant. Tess and Ted are children only about ten years of age and travel with their mother over the country giving these entertainments to advertise the celebrated Star Brand Shoes. Their program consists of songs, dances and vaudeville, and incidentally they sing the praises of the shoes that have been "Tess-Ted," much to the delight of their auditors and especially the children.

These children, whose real names are Malcolm and Alberta Skelton, with their mother, Mrs. Nina L. Skelton, came here direct from St. Louis at the personal request of Mr. Steinhardt who met them there on his recent trip east. They were accompanied by Joe W. Widner, the advertising manager of the Roberts, Johnson & Rand Shoe Co., of St. Louis, who arranged this advertising plan and taught the children their parts.

After witnessing the play, St. Elmo, at the Auditorium Saturday night Tess and Ted left Sunday morning for San Antonio from which place they will work their way back through Oklahoma to St. Louis for the summer.

BY NARRATOR.

ED ANVIL HERALD:—

Last Saturday, John Bohlen received the good news of his appointment as mail carrier for the Rural Free Delivery route that will be established April 1st between Dunlay and Sturm hill, via Quibi, a distance of about 20 miles. This will be the first rural route in Medina county and will be a great convenience to the people living along that route, who owe their thanks to Judge M. Schorobiny and Hon. Jno. N. Garner for giving it their special attention. There were seven applicants for carrier on this route and John is feeling justly proud of securing the position.

C. J. Monkhouse, the Hondo cotton buyer, was out here buying cotton the fore part of last week.

Willie Helmke met with a painful accident one day last week while hauling cotton for Muennink & Son to Hondo. Having loaded five bales and while going down hill without locking a wheel one of the top bales fell off throwing Mr. Helmke to the ground with considerable force and bruising him externally. He is now able to be about again.

John Moehring and F. D. Neumann returned last week from Brackett with some horses that they had been pasturing during winter in a Kinney county pasture.

John Hartmann shipped two car loads of fat cattle to the Fort Worth market Saturday.

Sunday, March 5th, the Vandenberg base ball team crossed bats on their ground with a Mexican nine and defeated the latter by a score of 28 to 10.

The quarterly conference of the German Methodist church was in session here the latter part of last week, with Rev. Winkel and presiding elder, Rev. Hensch, in attendance.

Henry Hardt and family, John Buss and family, Aug. Bohmfalk and family, Miss Mary Fessler, August Gerdes and Herman Oefinger all of Yancey were here for the conference last week.

Mr. and Mrs. Chas. Nietenhoefer were visiting relatives in the Leinweber settlement last Sunday.

Miss Lina Hartmann returned to Hondo last week after spending a week at home.

Too many to mention went to Hondo Saturday to see "Tess and Ted" and to see the show, "St. Elmo," a dramatization of Augusta J. Evans' widely read novel.

Mrs. Callie Martin and Misses Belle Proctor and Paulina Bendele of Hondo were here Sunday evening.

Mrs. Chas. Stiegler was visiting home folks at Dunlay Monday.

Mr. and Mrs. E. A. Bohlen and son, John, were business visitors to Hondo Monday.

Mrs. Henry Hartmann and Mrs. H. Poehler were visiting in Quibi today. March 15th, 1911.

#### Commissioner's Card.

The law makes it the duty of the Commissioner to look after the public roads and streets and to keep them in proper condition for travel. In performing this duty, I find that some people are using the public highways for a dumping ground for all sorts of rubbish. This is strictly against the law and parties guilty of such acts are subject to prosecution and I hereby warn everyone not to do so again.

Observe the laws of your country and help your road commissioner, road-overseer and the hands that must work the same to maintain good roads.

Respectfully submitted,

B. H. Brucks,  
 Commissioner Precinct 1, Medina Co.

Pay more for Devoo; be glad to. It is full-measure and honest.

How would you like a watch-dog that had a way of wagging his tail at a burglar? That's false paint. The burglar is rain and snow.

Attention is called to the official statement of the First National Bank which appears elsewhere in this issue. This solid financial institution shows an increase in individual deposits over the last statement notwithstanding it is a dull season of the year in financial circles in this section.

**OPTICIAN.**

(Q.) Why is it that glasses are worn so much more now?

(A.) Years ago the science of optics was not understood as it is today. Only old people or those near-sighted wore glasses. Now we correct with lenses all errors of sight.

(Q.) Why is it that cheap glasses do not give satisfaction?

(A.) Cheap glasses are so faulty in construction and so poor in quality that they distort the vision and cause pain in the eyes.

(Q.) Can my headaches be relieved with glasses?

(A.) It can.

A personal visit will be necessary; let us talk it over. Eyes tested free.

### Pick-Ups.

From The Auditorium Herald.

"Act well your part,  
There all the honor lies"  
Applies to art—  
E'en that the actor plies.

### Short Changed.

Hamlet: I hear that Shylock is dissatisfied with his son's college education. Is that true?

Leer: Yes, it's true all right.

H.: What was the trouble?

L.: Well, you know he sent him to study dramatic art and criticism?

H.: Yes, and spent a thousand dollars on his education, so I hear.

L.: That's just it. He only got a Quarterback!

"The villain still pursued her"—

Back and forth across the stage—  
The villain still pursued her,

Till the audience rose in rage

And, though the villain was quite stout,  
They, not too gently, threw him out!

If you have a grouch go to the show  
and forget it!

It's a happy faculty to be able to see  
the point of a joke!

The footlights do not always light  
the way to success!

Laughter is the coin in which we pay  
the actor for pleasing us. Don't be a miser!

Sometimes players play to trumps  
and sometimes they merely play to chumps!

Some people insist that high kicking  
lowers the stage and some try to elevate it by kicking!

Give our advertisers the benefit of  
your patronage and enable us to make  
the Auditorium Herald mutually helpful  
and profitable.

Every issue of this Herald consists of  
500 copies and reaches practically every  
one in Hondo, and more especially that  
class of people who have the money  
with which to trade. You lose an opportunity if you do not advertise in it.

There was a pretty young lass named  
Dora

Who wanted on the stage to win glory—  
But a gruff old manager said nit;  
So away back went Dora and sit  
Down—and thus of a Star ends the story!

### Light From a Dark Source.

Rastus Jefferson: W'en am a nactress  
an' a smoker alak?

Bones Boothe: W'en am a nactress  
an' a smoker alak? I don't 'no! W'en  
am dey alak?

R. J.: W'y, w'en one longs fur de  
spot-lite an' de yuthern longs fur a lite  
on de spot!

### Sweet Arabella.

Sweet Arabella! oh, Arabella!  
She fell in love with a bashful fella!

And the poor love-lorn swain  
Got a most awful pain  
When of his passion he tried to tell 'er!

So Arabella, sweet Arabella,  
Is looking for her another fella!

If she'll go on the stage  
She'll become all the rage  
Of the Johnny boys—and then they'll  
tell 'er!

### A Good Beginning.

Everything in later life depends upon  
how we begin it. You cannot be successful  
in life if you haven't good health.  
To insure good health in later life  
it is necessary to start right. Many of  
life's serious ills are caused by  
constipation, indigestion and liver  
trouble. The best way to cure them  
in old or young is by the use of Dr.  
Caldwell's Syrup Pepsin. It is absolutely  
guaranteed to do what we claim,  
and if you want to try it before buying,  
send your address for a free sample  
bottle to Pepsin Syrup Co., 119 Caldwell  
Bldg., Monticello, Ill. It is sold  
by all druggists at 50c and \$1 a bottle.

### Look Out.

The habit of puckering up the lips  
is said to be fatal to the contour of a  
beautiful mouth, for the lips are so  
flexible that after a while the puckering  
habit becomes second nature to them  
and they stay puckered.

S. Fly and D. H. Fly are plaintiffs, and Peter Morville, the unknown heirs of Peter Morville; Peter Marolle, the unknown heirs of Peter Marolle; Jas. S. Gillet, the unknown heirs of Jas. S. Gillet; Thos. Rogers, the unknown heirs of Thos. Rogers; Lorenzo Castro, the unknown heirs of Lorenzo Castro; Henry Castro, the unknown heirs of Henry Castro; and the unknown heirs of Anton Gsell, are defendants, and said petition alleging: That the plaintiffs are the legal and equitable owners of Lots letters C, D, E and F, containing 20 acres of land, more or less, and being a part of Survey No. 185, in the name of Anton Gsell, situate, lying and being in the town of Hondo, Medina County, Texas; reference is made to the map or plat of said Town of Hondo, of record in the Deed Records of said county, in Book A, No. 25, on page 638.

Plaintiffs allege that they claim the title of said land and premises by virtue of a deed from T. H. Reynolds and wife to plaintiffs, dated February 20th, 1911, and by virtue of a deed from the Galveston, Harrisburg & San Antonio Railway Company to the said T. H. Reynolds, dated June 2nd, 1903, filed for record in the Deed Records of Medina County, Texas, on the 12th day of June, 1903, and recorded in said Deed Records in Book A, No. 26, on page 25.

Plaintiffs further allege and claim that they have a good and perfect title to said land and premises, under and by virtue of the Statute of Limitation of three years, for the reason that plaintiffs, and those under whom they claim, have had peaceable and adverse possession thereof under title, or color of title, for more than three years prior to the institution of this suit.

Plaintiffs further allege and claim that they have a good and perfect title to said land and premises under and by virtue of the Statute of Limitation of five years, for the reason that plaintiffs, and those under whom they claim, have had peaceable and adverse possession of said land and premises, cultivating, using and enjoying the same and paying all taxes due thereon, and claiming under a deed or deeds, duly registered in said Medina County, Texas, as aforesaid, for more than five years prior to the institution of this suit.

Plaintiffs further allege and claim that they have a good and perfect title to said land and premises, under and by virtue of the Statute of Limitation of ten years, for the reason that plaintiffs, and those under whom they claim, have had peaceable and adverse possession of said land and premises, cultivating, using and enjoying the same for more than ten years prior to the institution of this suit.

Plaintiffs further allege that the claim of defendants, if any, is by virtue of said land having been patented to the heirs of Anton Gsell by the State of Texas on the 28th day of September, 1855, and by deeds from the administrator of the estate of Anton Gsell, deceased, to Henry Castro, dated June 29th, 1855; and to Thos. Rogers, dated July 31st, 1855; and by deeds from Henry Castro to Lorenzo Castro, dated June 23rd, 1855, and from Thos. Rogers to Lorenzo Castro dated August 1st, 1855; and by deed from Lorenzo Castro to Jas. S. Gillet, dated August 24th, 1855; and by deed from Jas. S. Gillet to Peter Morville, or Peter Marolle, or Peter Morville, dated January 24th, 1856; and that the only claim of title of the above mentioned defendants or any of their heirs, to said land and premises would be by virtue of said patent and deeds.

That plaintiffs bring this suit for the purpose of determining the estate and interest, if any, of each and all of the defendants herein, or any person or persons who may claim under them, in and to said land and premises, and that the Court may grant the title to the above described land and premises unto plaintiffs, free from all claims of said defendants, or any one claiming under them, so as to forever settle by decree of court the title to said land.

Wherefore, plaintiffs pray that said defendant, the names of a part of whom are unknown to plaintiffs, and the residences of all of whom are unknown to plaintiffs, be cited by publication as prescribed by the Statutes of this state; and upon a final hearing in the case, that plaintiffs have a judgment and decree of the Court, declaring and adjudicating the title to the above land and premises to be in plaintiffs herein, free from all claims in favor of said defendants or any of them, or any person claiming under them and for such other and further relief, special and general, legal or equitable, to which plaintiffs may be entitled.

Herein fail not, but have you before said Court, at its aforesaid next regular term, this writ, with your return thereon, showing how you have executed the same.

Witness: August Kempf, Clerk of the District Court of Medina County.  
Given under my hand and seal of said court, at Hondo, Texas, this 23rd day of February, 1911.

H. Hartmann, Ernest H. Hartmann, Willie J. Hartmann and Willie J. Gerdes are plaintiffs, and Justin Castanie, the unknown heirs of the said Justin Castanie; Chas. A. Castanie, the unknown heirs of the said Chas. A. Castanie; Nathalie Hoelzie and husband, Chas. T. Hoelzie, the unknown heirs of the said Nathalie Hoelzie and Chas. T. Hoelzie; Howarins Miller, Willie Jackson, the unknown heirs of the said Willie Jackson; Cortina Jackson, the unknown heirs of the said Cortina Jackson; Lyons Jackson, and the unknown heirs of the said Lyons Jackson, are defendants; and said petition alleging: That the plaintiffs are the legal and equitable owners of the survey of land known as Survey No. 538, for 320 acres, in name of Francis Schwaln, patented to the said Justin Castanie, or Justin Castanie, by Patent No. 210, Vol. 16, on the 22nd day of August, 1857.

That plaintiffs, Chas. H. Hartmann, Ernest H. Hartmann and Willie J. Hartmann, claim the title to 200 acres of land off of the south side of said Survey No. 538, by virtue of a deed from H. L. Hardt and wife, dated October 8th, 1910, duly registered in the Deed Records of Medina County, Texas, in Book A, No. 44, on page 436; and by a deed to the said H. L. Hardt, from Jno. F. Hardt, dated December 9th, 1905, duly registered in the Deed Records of Medina County, Texas, in Book A, No. 38, on page 134, and which said deed was filed for record on the 9th day of December, 1905, and by a deed to the said Jno. F. Hardt and H. L. Hardt, from Henry Bus and wife, dated January 11th, 1904, filed for record on the 11th day of January, 1904, and recorded in the Deed Records of Medina County, Texas, in Book A, No. 33, on page 219.

That plaintiff, Willie J. Gerdes, claims the title to the 120 acres off of the north side of Survey No. 538, by virtue of a deed from Henry Kneek, Jr., and wife, dated November 5th, 1897, filed for record on the 8th day of November, 1897, and recorded in the Deed Records of said Medina County, Texas.

Plaintiffs further allege and claim that they have a good and perfect title to said land and premises, under and by virtue of the Statute of Limitation of three years, for the reason that plaintiffs, and those under whom they claim, have had peaceable and adverse possession thereof under title or color of title for more than three years prior to the institution of this suit.

Plaintiffs further allege and claim that they have a good and perfect title to said land and premises under and by virtue of the Statute of Limitation of five years, for the reason that plaintiffs, and those under whom they claim, have had peaceable and adverse possession of said land and premises, cultivating, using and enjoying the same and paying all taxes thereon, and claiming under a deed or deeds, duly registered in said Medina County, as aforesaid, for more than five years prior to the institution of this suit.

Plaintiffs further allege and claim that they have a good and perfect title to said land and premises under and by virtue of the Statute of Limitation of ten years, for the reason that plaintiffs, and those under whom they claim, have had peaceable and adverse possession of said land and premises, cultivating, using and enjoying the same for more than ten years prior to the institution of this suit.

Plaintiffs further allege that the claim of defendants, if any, is by virtue of said tract of land having been patented by the State of Texas to the said Justin Castanie, or Justin Castanie, on the 22nd day of August, 1857, by Patent No. 210, Vol. 16, and that the claim or claims of the other defendants herein, if any, would be on account

of them being the heirs-at-law of the said Justin Castanie, or Justin Castanie.

Plaintiffs further allege that this suit is brought for the purpose of determining the estate and interest, if any, of each and all of said defendants, or any person or persons, who may claim under them, in and to said land and premises, and that the Court may grant the title to said land and premises unto plaintiffs free from all and all claims of said defendants, or any one claiming under them, so as to forever settle by decree of Court the title to said land.

Wherefore, plaintiffs pray that said defendants, the names of a part of whom are unknown to plaintiffs, and the residences of all of whom are unknown to plaintiffs, be cited by publication, as prescribed by the Statutes of this State; and upon a final hearing in the case, that plaintiffs have a judgment and decree of the Court, declaring and adjudicating the title to the above described land and premises to be in the plaintiffs herein, according to their respective interests therein, as hereinbefore set out, free from all claims in favor of the said defendants, or any of them, or any person claiming under them, and for such other and further relief, general or special, legal or equitable, to which plaintiffs may be entitled.

Herein fail not, but have you before said Court, at its aforesaid next regular term, this writ, with your return thereon, showing how you have executed the same.

Witness: August Kempf, Clerk of the District Court of Medina County.

Given under my hand and seal of said Court, at Hondo, Texas, this 21st day of February, A. D. 1911.

Issued same day.

[SEAL] AUGUST KEMPF,  
Clerk District Court of Medina County, Texas.

### President Harrington, Peoria.

The word of a prominent and respected business man should be listened to. Mr. F. M. Harrington Manufacturing Co., Peoria, Ill., writes that he was for years a constant sufferer from indigestion and constipation, which nothing seemed to relieve, and he had almost given up hope when he began to take Dr. Caldwell's Syrup Pepsin, and it made a new man of him. It is absolutely guaranteed to do what is claimed, and if you want to try it before buying, send your address for a free sample bottle to Pepsin Syrup Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by all druggists at 50c and \$1 a bottle.

### The Kaffir Day Off.

When the South African Kaffir has a "day off" and sets about enjoying himself one of his greatest pleasures is to dress himself up in some extraordinary fashion and generally play the fool. The fete day umbrella and sundry curious forms of headgear are brought forth. Several hold up candles, although it is daylight, to show now civilized and up to date they are. Crude musical instruments—anything that will make a noise—are greatly to the fore on such occasions as these.—*Wide World.*

Do you know that of all the minor ailments colds are by far the most dangerous? It is not the cold itself that you need to fear, but the serious disease that it often leads to. Most of these are known as germ diseases. Pneumonia and consumption are among them. Why not take Chamberlain's Cough Remedy and cure your cold while you can? For sale by all dealers.

### For Mixing Concrete.

For mixing concrete a spade has been invented with long, oval holes in the blade, the perforations allowing the finer cement to flow through and give the face a finer finish.

If you have trouble in getting rid of your cold you may know you are not treating it properly. There is no reason why a cold should hang on for weeks and it will not if you take Chamberlain's Cough Remedy. For sale by all dealers.

It will pay you to watch the advertisements in this paper. Get the habit of reading them.

### The Starling's Tongue.

All starlings have a very peculiar formation at the extremity of the tongue, which gives the appearance of a piece having been nipped out of it. This fact gave rise to the mistaken idea that a starling's tongue must be cut before it can be taught to speak.

## Who Was There That You Knew?

IN the shadowy ranks of those who marched to defeat or death or victory fifty years ago in the mighty conflict that convulsed this great nation, is there father or grandfather or uncle of yours? Would you like to see a photograph of him in that long ago day of his youth—a photograph that he never knew was taken? Perhaps we can show you one; and in any case, we can tell you a story, stranger than any detective fiction, of 3,500 priceless photographs that were lost and are found again.

## 3,500 Long Buried Photographs of the Civil War

THEY were taken by the greatest photographer in the United States of that day; they were bought by the United States Government for \$80,000; they were buried in the War Department for 50 years—they are buried there still. But a duplicate set was kept by the photographer—who died poor and broken down; nearly 50 years, until it was discovered from pillar to post for down; that duplicate set was knocked over by a New England collector. J. Pierpont Morgan tried to acquire the collection—the President's collection and General Benjamin F. Butler said it was worth \$150,000—yet with the help of the Review of Reviews, the entire collection has been gathered into 10 great volumes and is placed within your reach at less than the value of one of the photographs. It is the one accurate, impartial history of the Civil War—for the camera cannot lie. It tells the story of the War you never heard before. Taken under protection of the Secret Service, these photographs bring to light thousands of little-known phases of the war; they penetrate to strange places and record strange things.
